

STRETCHED DISPLAYS - Ideal for signage where space is short

Ideal for signage where space is short

- Horizontally between rows of product shelves
- Above counters, without reducing space for product display
- Vertically, on building pillars, shelf edges;
- Suspended from ceiling, even in low ceiling height areas
- Inside shop windows, above product display, enticing customers to enter
- Suitable for Windows or Android

| Size | Model | Aspect ratio | View Area mm | Resolution | Brightness nit | Outer size mm |
|-------------|-------|--------------|--------------|------------|----------------|---------------|
| 23" (~2') | 230St | 36:3 | 585x48 | 1920x158 | 300 | 600x60x24 |
| 27.5" | 275St | 38:3 | 689x54 | 1920x150 | 600 | 720x80x30 |
| 35" (~3') | 350St | 44:3 | 885x60 | 1920x130 | 600 | 910x90x30 |
| 47.5" (~4') | 475St | 58:3 | 1209x67 | 1920x108 | 600 | 1250x100x30 |
